

FOREST COUNTY ASSOCIATION OF LAKES

3 October 2024

Dear FCAL Members and Friends,

A goal of your Forest County Lakes Association (FCAL) is to improve communication. In order to do that, we have begun two new initiatives: 1) a new website and 2) the use of Mail Chimp – a program that allows us to easily email all of our members. Here are more details about these initiatives:

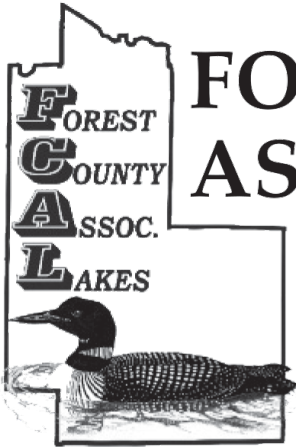

1) We have updated our website fcal-wis.org, which is filled with helpful resources as well as current news and a listing of events. Also, you can now renew your membership by using our website's online payment feature. Please take a look around that website. Feel free to make suggestions. If you would like to send photos of your lake or articles you think we may be interested in posting, please do so by emailing us at info@fcal-wis.org. We can't guarantee that everything you send will be used, but we promise to give it our full attention.

2) We will begin sending updates, like this one, to you via email. Please understand that we will not sell or share your contact information. We will only send you emails regarding FCAL events and issues of interest to Forest County waterfront property owners.

In addition, we are inviting you and your members to the FCAL Annual Meeting & Dinner. This event will be held on Thursday, October 24 at Ed's on Main Street in Argonne. The invitation and registration form are on the following pages. You are also invited to register online at fcal-wis.org

In the meantime, I hope you had a wonderful summer enjoying our lakes and rivers and that you are looking forward to a gorgeous Northwoods fall.

*Sincerely,
Pam Schroeder, President of FCAL*

FOREST COUNTY ASSOCIATION OF LAKES

Annual Meeting & Dinner

Thursday, October 24, 2024

Where: Ed's on Main Street, Argonne

Times:

3:00 pm – Annual Meeting w/election of board members

4:00 pm – Presentation by Wild Instincts Animal Rescue
