Dark forest

Looey the kid, Gigi the glowing fairy and Federick the tree eater

Once upon a time there was a little boy, Looey, who ran through the woods in Laona, WI at Silver lake. He came across a sad little glowing fairy.

Looey said to the sad glowing fairy "hey are you ok?"

The fairy said "n..no im....hurt".

Looey said to the sad glowing fairy "Hey what's your name? My name is Looey".

The glowing fairy said "My name is Gigi".

Looey said "What's the matter?"

"I noticed that all of the maple trees are gone and I need maple trees to live." Gigi told Looey.

Gigi, the glowing fairy and Looey walked through the forest. They noticed a big, fat tan monster with maple dripping around their mouth.

They said to the maple tree eater "HEY STOP EATING MAPLE TREES".

The maple tree eater turned around and said "I can't stop eating maple trees".

"So what should we do then Gigi?" asked Looey.

Gigi said to Looey "Hmmm maybe we should give him maple donuts?."

"Great idea", said Looey. "

Thank you Looey!", exclaimed Gigi.

"You're welcome Gigi" said Looey.

"Anyways, let's go get the maple donuts", said Gigi.

Gigi and Looey got the donuts from Walmart. Gigi said to Looey "Hey what happens if he doesn't like it?"

"I don't know. Hopefully he'll like it", said Looey. They walked back to get to him and said "hey what's your name?." "

My name is Frederick the tree eater", said the tan monster.

"We got you maple donuts!", exclaimed Gigi.

Frederick said "Ooo!!!!!! I'm sorry I won't eat any more Maple trees and ill just eat maple donuts."

"Ok thanks", said Looey.

"Truth", said Gigi.

"Truth", said Frederick.

"Friends?", said Looey.

"Friends", said Frederick.
